

CHRIST'S COVENANT CHURCH
Wednesday Night Kids' Programs

Housekeeping Items | Spring 2022

Hello, Parents! Thank you for giving us an opportunity to partner alongside of you in the discipleship of your child. Beyond showing Jesus's love each week, we also want to maintain a safe and healthy place for the children who participate in *Lost and Found* and *The Bridge*. Here are some guidelines as the program kicks off to help the year run smoothly:

Drop Off

Use the main entrance
& accompany your child.

WHERE TO ENTER: Please enter through the **Main Entrance** of the church, and then proceed to the **Children's Ministry Wing** to drop off your child at their appropriate class. You do not need to check them in at the Check-in Desk. Please do not enter or exit through the church's side-doors.

ACCOMPANY YOUR CHILD: Please accompany your child to his or her classroom—that way each child will be handed off directly to their leaders from their parent(s) or guardian(s). Please do not drop off your child under the carport of the building and send them inside.

Pick Up

Use main entrance &
parents/guardians only.

WHERE TO ENTER: As you dropped off your children and entered in through the **Main Entrance**, please do the same when picking up your child.

PARENT/GUARDIAN PICK UP: Ministry leaders will dismiss children to their parent(s) or guardian(s). Please do not have an older sibling pick up your child.

Cancellation

We'll announce weather
cancellations online.

Weather Cancellations: Weather cancellations will be announced on these two websites:

- www.FaceBook.com/ChristCovenant/
- www.WNDU.com/weather/closings/

Schedule Updates: Our schedule may change due to weather cancellations. If this occurs, we'll adjust the schedule as needed and post the revision on: www.ChristCovenant.org/blog/

Sick Kids

Knowing when it's
best to stay home

The season for colds and sicknesses will soon be here, and we are also mindful of the risk that COVID-19 poses. **Help us maintain a healthy environment to protect everyone who participates.** We want to encourage both parents and children to be mindful of how they're feeling before they come and to be honest.

We're counting on you to help us meet together safely. Thank you!

When should you keep your child home from Wednesday night activities? Here are our guidelines:

- If your child has had a **fever** in the past 24 hours.
- If your child has had an incident of **diarrhea or vomiting** in the past 24 hours.
- If your child has a **persistent cough or persistent sneezing**.
- If your child has a **sore throat**.
- If your child has **chills**.
- If your child has a **headache**.
- If your child has **congestion, runny nose, or colored mucus**.
- If your child has been experiencing **shortness of breath/difficulty breathing**.
- If your child has a **loss of taste and/or smell**.
- If your child has **matted, red, swollen eyes, or thick discharge from the eyes**.
- If your child has an **unexplained rash or open sores**.

If a leader believes that one of these is occurring, he or she will contact you to discuss next steps—potentially your child may need to be sent home for the evening.

If you suspect your child has had or recently recovered from COVID-19 during the school year (September 2021–April 2022), please contact **Jordan Weddle**, *Director of Children's Ministries*, to discuss notifications & plans for returning to Wednesday Night Programs: **574.267.8973 | jweddle@christscovenant.org**

Thanks again for partnering with us and helping us create a safe & healthy environment for all!

~ The Family Ministries Team
